Duration of our policies.

Summary of significant exclusions and limitations.

Waiting periods.

The waiting periods below do not apply if:

- i. Your pet was insured by another insurer up to the date this policy starts. If this is the case, we'll ask you to give us details of your previous insurance to confirm there was no gap in cover.
 - ii. You are renewing your existing Bought By Many policy.
- We are not able to pay a claim for any accident that occurs or is treated within in the first 48 hours of the policy
 - We are not able to pay a claim if your pet passes away due to illness in the first 14 days of the policy
 - We are not able to pay claims for any vet's fees incurred due to illness within the first 14 days of the policy
 - These periods also apply to a pet when it is added to the policy

General conditions.

You must ensure that your pet has its annual check-up, a dental check-up every 12 months, and vaccinations so they remain healthy. Note that all policies have an excess for Vet's Fees (whether you claim for vet's fees at home or abroad). Please refer to your Policy documents to check how much your excess is.

Cover if your pet needs medical treatment.

- All our policies cover behavioural treatment if your pet is referred to a behavioural specialist by a vet
- We cannot pay a claim if you submit it more than a year after each date of treatment
- We cannot pay costs for preventative treatments or treatments not prescribed by a vet
- We can only cover pre-existing conditions on the pre-existing conditions policy
- We cannot cover conditions that have been treated, medicated or that you have received advice for in the last 3 months on any policy

What are pre-existing conditions?
